Customer

→ What are the pricing plans available for your software?

🟡 Intent: Sales

🟢 RAG Relevant documents retrieved

Support Agent

ABC Technologies offers three pricing plans to meet different needs:

- 1 **Basic Plan:** \$500 per month for up to 5 users with email support.
- 2 **Professional Plan:** \$1000 per month for up to 25 users, including priority email support and advanced reporting capabilities.
- 3 **Enterprise Plan:** \$1500 per month for unlimited user access, dedicated account manager support, 24/7 availability, API access, and advanced analytics features.

Would you like more information on any of these plans?

Customer

→I forgot my account password.

🟡 Intent: Account

To reset your password, please follow these steps:

- 1 Click on "Forgot Password".
- 2 Enter your registered email address.
- 3 You will receive an email with instructions to create a new password.
- 4 Create a new password using the provided link in the email.
- 5 Log in using your new password.

If you continue to experience issues, please verify your email address and ensure that your internet connection is stable. Clearing your browser cache or trying another browser might also help resolve any temporary issues. If these steps do not work, contact our technical support for further assistance.

Customer

→My application crashes whenever I upload a file.

🟡 Intent: Technical

🟢 RAG Relevant documents retrieved

Support Agent

If your application crashes while uploading a file, follow these steps:

- 1 Ensure the file size is within the supported limit as specified in the technical documentation.
- 2 Verify that the file format you are trying to upload is supported by checking the list of supported formats provided in the documentation.
- 3 Restart the application to clear any temporary issues.
- 4 Update to the latest version of the application, as newer versions often include bug fixes and improvements for file upload functionality.
- 5 If the issue still persists after following these steps, please contact technical support for further assistance.

I couldn't find that information in the technical documentation.
